ANNOUNCEMENTS

OPENING PRAYER

Gracious and loving God, You are the Lord, the One who has power over all things. We gather online today and we look to You together in the midst of all that is happening in our world. We ask that You would give us peace and strength. We ask that You would bring healing and renewal. We ask that You would remind us of Your forgiveness and grace. We ask for a fresh new love for You above all else. Help us to receive all You are and do, and then help us to serve others with You as You have served us. We ask for that blessing today in Jesus' name. Amen.
